Brushed Cashmere Knitwear: The Pinnacle of Beauty and Luxury

Brushed cashmere knitwear is the ultimate expression of elegance and sophistication, redefining the standards of luxury. The meticulously brushed fiber, as fine as 14 to 18.5 microns, create a velvety-soft surface that feels like a gentle caress against the skin, transforming every piece into a tactile masterpiece.

With an exceptional fineness that rivals Vicuña—the rare "fibre of the gods" celebrated for its unmatched softness and exclusivity—brushed cashmere embodies an ethereal quality. Its delicate fibres combine a feather-light texture with superior warmth, delivering unparalleled comfort. The refined craftsmanship and plush finish bring out the natural lustre of the fibres, ensuring each garment radiates effortless elegance. Brushed cashmere takes the softness and luxury of traditional cashmere to extraordinary heights, blending nature's finest with exquisite artistry to create a true statement of style and indulgence for the discerning customer.

Key Benefits of Brushed Cashmere

Incredible Softness:
Exceptionally smooth and luxurious against the skin.

Enhanced Texture:
The brushing process creates a signature velvety finish.

Longevity:
Special treatments reduce pilling, maintaining durability with regular use.

Exceptional Warmth:
The unique fiber structure traps air, forming a natural barrier against the cold.

Brushed cashmere knitwear is a masterpiece of craftsmanship, merging timeless elegance with unparalleled softness and comfort. It is the perfect choice for those who seek extraordinary luxury and sophistication in every detail.

拉绒羊绒针织品：美丽与奢华的巅峰

拉绒羊绒针织品代表了优雅与精致的终极体现,重新定义了奢华的标准。经过精心拉绒的纤维细度可达 14 至 18.5 微米，毛绒表面如天鹅绒般柔软，触感如轻柔抚过肌肤，让每一件单品都成为触感非凡的杰作。

拉绒羊绒与Vicuña罕见的“神的纤维”相媲美的卓越的细度，以其无与伦比的柔软性和独特性而闻名，体现了一种空灵的品质。其细腻的纤维结合了羽毛般轻盈的质地和卓越的保暖性，带来无与伦比的舒适感。精湛的工艺和奢华的饰面凸显了纤维的天然光泽，确保每件服装都散发出轻松的优雅气息。将传统羊绒的柔软和奢华提升到非凡高度，将大自然的精华与精湛工艺相结合，为追求细节的顾客打造出真正的时尚和奢华。

拉绒羊绒的主要优点

令人难以置信的柔软度：毛绒表面异常光滑和奢华。

增强质感：拉绒工艺创造出独特的天鹅绒般的质感。

耐用性：特殊处理减少起球，在日常使用中保持耐用性。

卓越的保暖性：独特的纤维结构可以锁住空气，形成天然的防寒屏障。

拉绒羊绒是一件工艺杰作，融合了永恒的优雅与无与伦比的舒适和柔软，非常适合那些在每个细节上都完美追求非凡奢华和精致的人。

INVESTING IN

GREEN TECHNOLOGY

Consinee Group was founded in 1999 with the aim of being a world leader through refining the production of premium yarns and intelligent innovation, placing cashmere at the heart of the collection. Today Consinee has earned the reputation for being one of the largest and most prestigious spinners in the world underlining our mission to be leaders in luxury.

With a continually expanding collection of premium natural fibre yarns we offer a versatile and flexible fully stock supported range ready for immediate delivery.

Our continual investment in green technologies and industry expertise for processing, dyeing and spinning, along with our creative colour and yarn innovations, has made Consinee an advanced market leader and the largest global cashmere yarn supplier.

Part of our commitment to sustainability has been through innovating the yarn industry by advanced ecological technology to streamline production. Our pioneering vision has created the worlds first fully automated unmanned smart cashmere spinning factory. This facility is the first of it's kind for luxury yarns and is now fully operational, integrating the latest and most advanced intelligent elements in the manufacturing industry.

The whole factory, from the processing of cashmere raw material to the output of finished yarn is a fully automatic operation that has created a system that optimises efficiency, reduces energy consumption and waste, and offers complete digital traceability and transparency of the entire production process. The Consinee smart factory has disrupted the industry by rethinking traditional production processes and leading the world with a fresh approach to ecologically minded luxury yarn production.

We are very proud at Consinee Group to have the largest and most intelligent cashmere yarn production facility in the world today underlining our core values to align intelligent production with green initiatives for sustainable production that work in harmony, making the Consinee name synonymous with luxury innovation, excellence and supreme sustainable quality.

Our partnership with suppliers and dedication to new manufacturing techniques has earned us a wide range of certifications to reassure you of our unrivalled quality control and belief in sustainable initiatives. To find out more contact us at info@consinee.com.cn or download our App.
